No. 2685/30 dy 8th July 1878

8. The Comrr of the Sandy Drog Division was requested to submit his opinion as to the claim of the Distillers to be compensated for the Separation of their Stills as well as for the Sheds or buildings constructed by themselves within the Government Enclosure -

No 222 dy 21st October 1878

9 The Comrr now forwards a revised Statement shewing particulars of Compensation payable to the former distillers of the Kolar and Tumkur Districts and observes that he thinks Govt should Compensate them for the buildings the total valuation of which is Rupees 1570-2-0 In the case of apparatus he does not think Govt liable. They were obtained by the parties concerned, and used by them for their trade. They are mostly of unmarketable value and it was probably

because the former distillers held out for exorbitant prices that they did not sell to the present Renters who were much in want of apparatus at first starting - but any part of Government property valued at half the valuation, and then sold to the distillers by the present Renters

The value of the apparatus is Rs 3774. The Com. consider this portion of the claim inadmissible.

The value of the buildings is Rs 1570. The Com recommend that a moiety of this sum (Rs 785) shd be paid as the buildings have been erected for the convenience of the former distillers who have enjoyed the profits of the concern, I therefore

From appearance of the last Statement, it appears that the buildings are mostly of the nature of petty Constructions within the Govt enclosure - such as the Distillers erected for their own convenience, & for which they cannot look for Compensation from Govt. The only exception to the case of Mojaunee Shetty at the Tumkur distillery. The cost of the buildings is stated at Rs 844 - but whether this is for the whole or part is not stated. A Superintendent Officer should check a Valuation Survey of the buildings - These Distillers have been prompted & instructed to claim for small & temporary Compensation for the Distillers at Bangalore

according to notification Compensation for stock & arrack only is payable to the former distillers and this matter appears to have been settled. They have no claims for compensation on account of apparatus or temporary buildings erected by them. In Tumkur only the buildings seem to be of any material value. If they are of a permanent character and required for Govt., or the present distillers they may be purchased at a reasonable valuation. Otherwise the distillers must remove the materials.

ABSTRACT.

State they hear that the contract for the Sale of the Standidaru Drug has been given to Rai Sahadoor Lyka Mallappa Chetty notwithstanding the intimation given to them in the Mysore Gazette of the 12th March 1877 to the effect that tenders would be invited for the exclusive privilege of manufacturing and selling arrack in the Kolar Distt. Petrs have advanced large sums of money to many persons, and unless they are allowed to distill liquor independently of the sole Contractor, they will not be enable to recover from

in any portion of their
money. Sgd. in clause 41 No 3
the notification in the
Government Gazette of 12th August 77,
is stated that the Distillers
will be required to pay to the
present Distillers such compensation
as may be fixed by Govt on
account of any quantity of
wash distilled by them
and which may remain as
then on hand on the 1st April
1877.

Under these circumstances
I beg that compensation be
ordered to be given to them
and also that they be made
independent of the Sole
Contractor by letting them
have the contract for
the Kolar Distts.

Respected Sir.

We the undersigned Shanbaga's Goa Besta Narasapa, Venkatasamanna Bai, Son of Amba Bai, Besta Nasapa, Nirdimar Reddy, and Ramaiah Distillers Kolar District Mudidurg Division do respectfully beg to bring to your honor's kind Consideration and at the same time begging pardon for thus trespassing your honor's valuable time

In advertence to the Notification published in the Mysore Gazette No 142 dated 12th August 1877 inviting tenders for the exclusive privelege of "manufacturing and selling Arrack in the Kolar District" in accordance to the said notification ever ready

X Illegible

to Sathanur and Tirthur for the Kolar District
But to our misfortune the whole contract of
the Chandidurg Division was confirmed
on Mr. Ramaiah Chetty and Mr. Ramaiah
with out taking our Cases into consideration
But in accordance to Clause VII of the said
Notification the Kolar District alone was
yielding about 3 Lacs Rs. annually and
the whole net Revenue thus accrued from
manufacturing and Selling Arrack in
the Chandidurg Division is about 4 Lacs
& 15 Thousand Rs. This is in accordance
the approximate calculations published in the
Mysore Gazette for the last five years. Which
3
ch has been the case we hear the Govt.
ve given the said Contract Rai B Sadoor
Sullappa Chetty for 3 Lacs of Rs. Even
w we beg to bring to your Honors Kind
tice that we are ready to take up the
sole Privedege of manufacturing and
lling Arrack in the Kolar District
granted for the reasonable amount
hich the Government may think proper.
n Case of not Conferring on us the said
Contract

Contract &c as we will be entirely ruined as many shares indebted to us in lumbo sums and will be irrecoverable during this impending famine and will sustain a heavy loss which inorto in fact positively tend to our ruination.

Secondly we beg to bring to your honors kind Consideration that in accordance to Clause VI No. 3 the wordings of the notification is as follows. "The Distiller shall further be required to pay monthly to Govt a rent of Rs. 15 for the use of the Distillery building, and to pay to the present Distillers such Compensation as may be fixed by Govt on account of any quantity of arrack distilled by them and otherwise remain as stocks on hands on the 1st April 1877

In conformity to the said rules the compensation amount was granted for the constructions and emoluments occupied by the late Sudder Distillers and has been taken up by Government. Under these circumstances we beg of your Honor to grant us

the.

the compensation to be fixed by Government. Further we beg to bring to your Honor's kind consideration that all the materials, furniture and other Brass utensils which have costed us an immense amount and now we are ready to place it at the disposal of the Government and they may be valued as the Government may think proper, and also the Stock remaining on hand on the 1st April should be received from us and pay the value on the same.

Thirdly The Deputy Commissioner of Kolar District has issued Circulars to all the Amildars of the Talukes that all the Vendors of the retail shops should act in accordance to the rules and orders of the Contractor Rai Bhadoor. Mallabha Chetty and should pay license to the Contractor But in accordance to Clause VII No 1 of the Notification the paragraph runs as follows:

The usual licenses will be issued

on payment of prescribed fees by the Deputy Commissioners for the retail Shops situated in the Districts and by the President of the Municipal Commission for the Shops in the Bangalore Town and Cantonment."

Again the Clause VI of Rule II is as follows:

"The retail Vendors in the Town and Cantonment will in addition to the above license fee, be required to pay as heretofore, an extra duty of 4 annas on every imperial Gallon of liquor supplied to them in excess of 60 Gallons a month."

While the purport of the above paragraph clearly establishes the claim of the retail Shop keepers as heretofore. Under these circumstances we beg your Honor will be pleased to take our poor Case into your

Sanguine consideration and confer on us the same rights and privileges which we enjoyed from 1864. - Further we beg to bring to your Honor's notice prior to 1864 Mr. Ugler had the contract of Kolar District but there being no rules laid down for the management of the Budder Distillery. But in 1864 Lt. Downing Esquire C.S.I the then Chief Commissioner of Mysore reorganised the Abkary System and established the claims of the actual Shop Keepers and thus saved them from the harpy and troubles of the Distillers. Again on one occasion ~~they~~ the authorities suggested to Mr. Daly ell the then Chief Commissioner to expose these retail Shops to auction and to confer the said

Shops

to the highest bidder. This case never
considered by him and thought would only
tend to the termination of the Vendor not then
just stopped to the proposal

In conclusion we beg your Honor
to take our case into your Honor's benign
Consideration and relieve us from the hard
and miserable lot of the Cultivator

For which act of charity and kindness
we shall pray for your long life and
prosperity.

We beg to remain
